### NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The Editor of the Navy List,
Admiralty,
London, S.W. 1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the Navy List until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.
Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

O. MURRAY.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Biue Eusign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstance, the Navai Reserve Officer to whom the warrant was issued is not in command of the ship, then the Bine Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Reserve on board is less than 0, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoldable casualty.

(c) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

#### ROYAL NAVAL BENEVOLENT SOCIETY.

Instituted 1739.

Incorporated by Royal Charter, 26th April, 1838.

Patron: Wis Majesty the King.

President:

ADMIRAL OF THE FLEET SIR WILLIAM H. MAY, G.C.B., G.C.V.O.

1. Objects :-

To afford relief to distressed officers of the Royal Navy of Ward Room rank and above (being members) and to their indigent mothers and sisters and to the widows and orphans of deceased members.

2. Subscription :-

The annual subscription to the Society is one guinea; but, in the cases of officers whose service emoluments are less than one guinea a day, the annual subscription may be one day's service emoluments which the officer was receiving on the 1st January in each year. Life membership may be secured on payment of a sum of not less than £10.

3. Amount of Assistance:

Limited to £50 for any individual in one year, but the number of recipients in any one family is not limited.

4. The Society's Committee :-

The Committee consists of not less than 15 members, each of whom is elected for three years at one of the Quarterly Courts held in the third week in January, April, July and October in every year. The Quarterly Courts are open to all members and notice of them is published beforehand in the "Naval and Military Record" and "Morning Post."

5. General Remarks :-

Membership of the Society is a form of insurance for officers, for their mothers and sisters, and for those dependent upon them who may be left in necessitous circumstances in the event of their decease.

Owing to its large capital (over £100,000), the Society has no difficulty at present in finding the money it needs for the relief of members' relatives. Each case is carefully considered and is dealt with on its merits; no deserving case is refused.

Officers are invited to join not so much for the purpose of obtaining more subscriptions as with the idea of giving the Society an opportunity

in the future for relieving more applicants.

The following six current cases taken at random from the registers show how large the aggregate grants often become in proportion to the subscriptions paid:—

Member subscribed in all Relatives have received so far (2 recipients) 1. £13 15s.... 2. £11 10s.... 3. £4... £230 ... ... ... (3 £922 ... ... 99 £410 ... 4. £7... £1528 (4 ... ... ... ,, (2 £792 5. £1... ... ... ... 22 (1 £210 6. £3 16s. 6d.

Touching appeals for help often have to be refused because there was no member of the Society in the family.

Officers desirous of joining are requested to forward their subscriptions to the Secretary, from whom Banker's Order forms and any further information regarding the Society can be obtained.

The Royal Naval Benevolent Society should not be confused with the

Royal Naval Benevolent Trust.

### GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen Killed or Disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant George Watson Guthrie, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produces an annual free income of about £1,000.

The Trustees are Mr. George Macdonald, C.B., Secretary of the Scottish Education Department; Mr. W. K. Dickson, LL.D., Advocate, Edinburgh; the Right Hon. H. P. MacMillan, K.C.; Professor Harvey Littlejohn, late Dean of the Faculty of Medicine in the University of Edinburgh, and Mr. E. F. H. Bradby, Solicitor, London.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November 11, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post graduate research fellowships, to be known as "George Guthrie's Fellowships."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh.

# THE FLORENCE NIGHTINGALE HOSPITAL FOR GENTLEWOMEN 19, LISSON GROVE, LONDON, N.W.1.

This Hospital was founded in 1850 by VISCOUNTESS CANNING and organised by MISS FLORENCE NIGHTINGALE, who acted as the First Lady Superintendent before she left for the Crimea.

Its object is to provide gratuitous medical and surgical treatment for ladies of limited means, Governesses, Artists, Hospital Nurses, and relatives of the Clergy, Naval, Military and Professional Men.

Patients are attended by eminent Physicians and Surgeons from the Staffs of the leading London Hospitals.

The income is derived from patients' fees, which vary from £2 2s. to £4 4s. per week, equalling about half of the total expenditure, and from investments which bring in about £300. The Balance of some £3,000 has to be made up by annual subscriptions and donations.

Any further particulars, together with forms for admission, and the Report for 1926, can be obtained from the Lady Superintendent, at the above address.

They render valuable help to the Chaplains under whom they work,

The serious increase in post-war expenses has not been met by a corresponding increase in receipts. The Society is now in urgent need of a larger income. Subscriptions and Donations may be sent to—
